

# Harris County Employee

# H1N1

# Vaccinations

Employees covered by the Harris County Medical Plan (Aetna) and employees soon-to-be covered by the Harris County Medical Plan, still within their 90-day benefits probation period are invited to receive the H1N1 vaccine administered at **NO COST** at a coordinated County facility.

Employees not covered by the Harris County Medical Plan (part-time, temporary, contract agencies, State) are not eligible to receive the vaccine at no cost and may not pay the administration fee at these locations. Please make arrangements to receive your H1N1 vaccination at another location.
